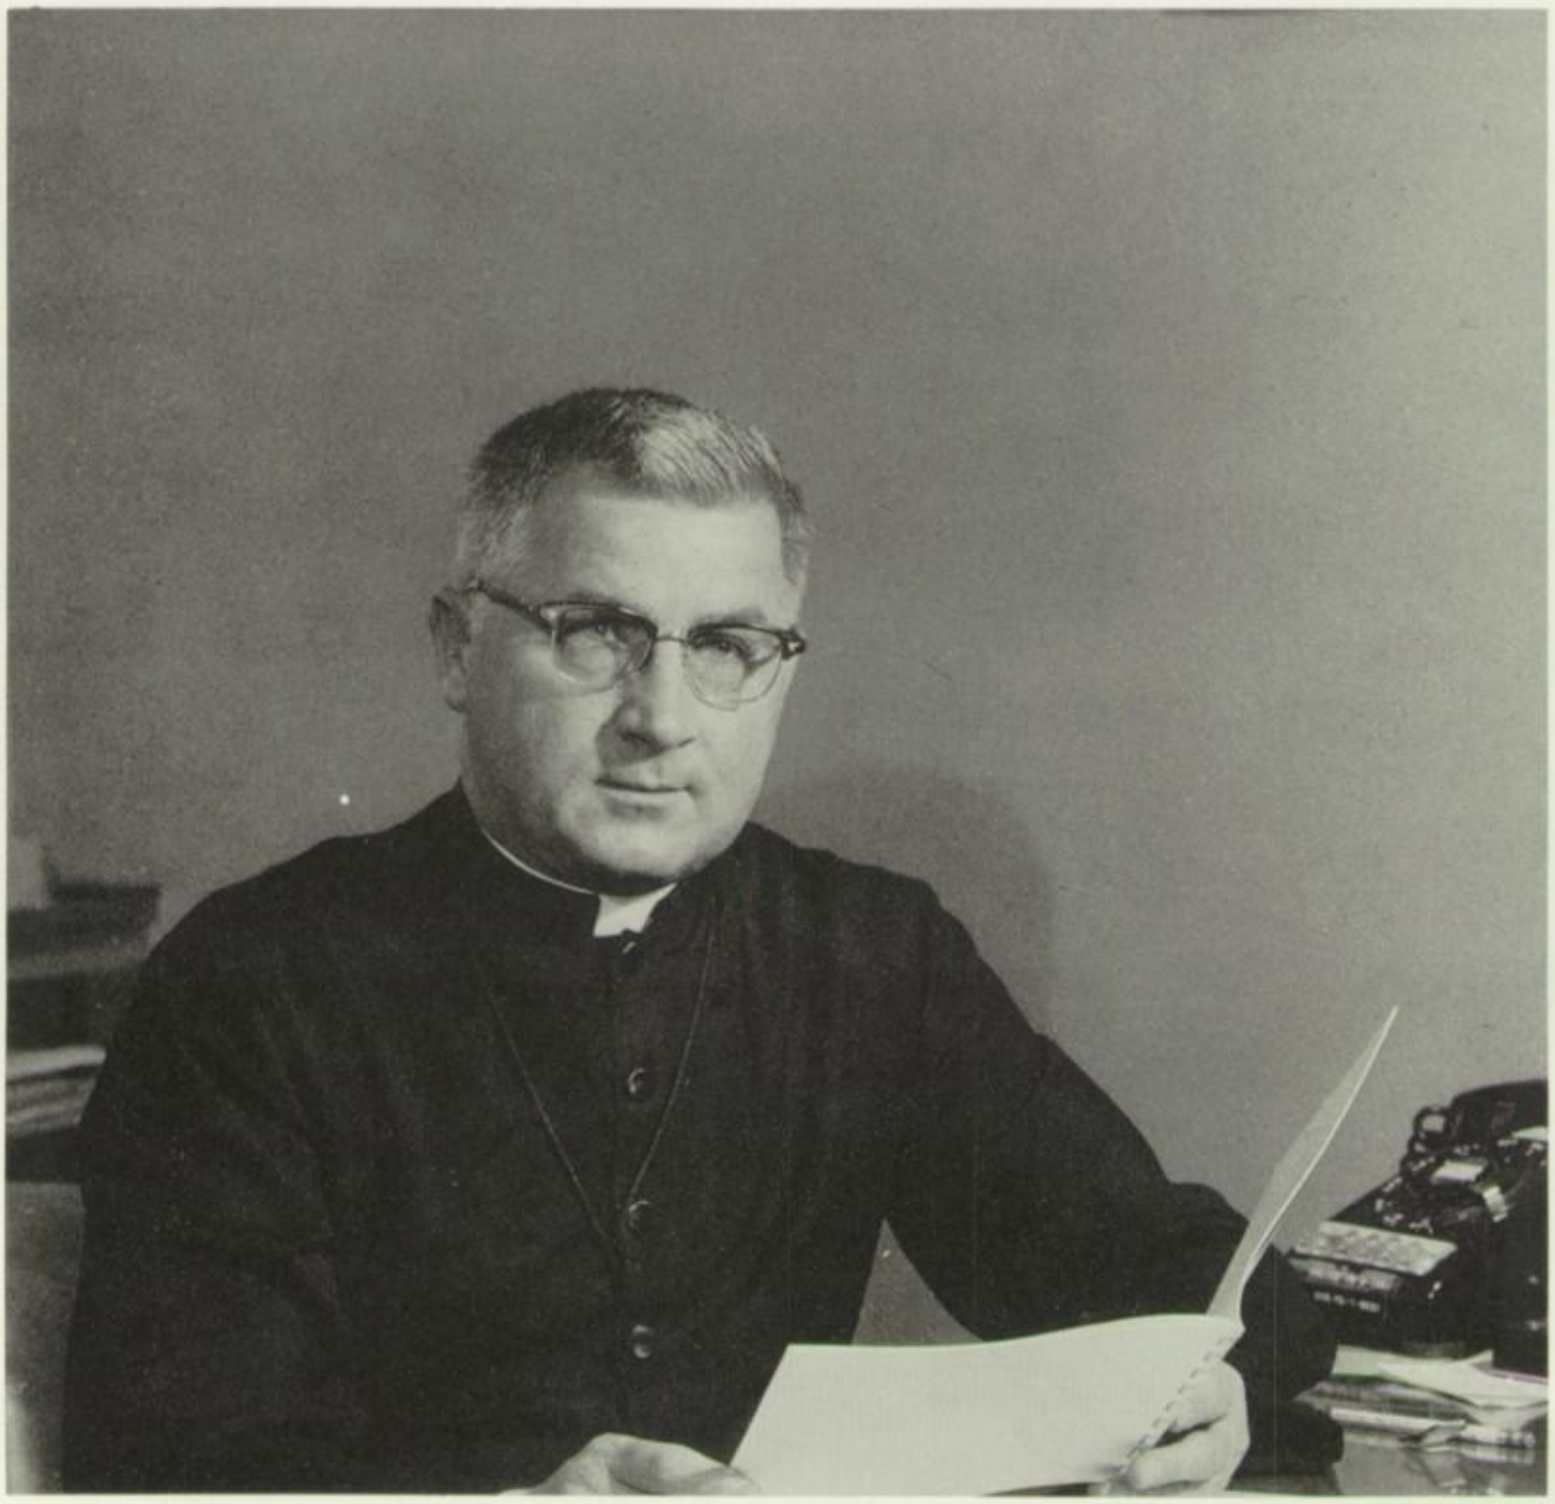
ELLO

DEDICATION



WHEN BROTHER FISHER IWASKO, C.S.C., PRONOUNCED HIS RELIGIOUS VOWS ON SEPTEMBER 21, 1938, THE BROTHERS OF HOLY CROSS WERE UNKNOWN IN SANTA CLARA VALLEY. NOW, TWENTY-FIVE YEARS LATER, BROTHER FISHER IS COMPLETING HIS SEVENTH YEAR AS PRINCIPAL OF ONE OF THE BEST KNOWN SCHOOLS IN THE AREA. THE FAME OF OUR SCHOOL IS DUE IN GREAT PART TO THE FAITH, ENERGY, FORESIGHT AND ADMINISTRATIVE KNOW-HOW WHICH BROTHER HAS APPLIED TO THE PLANNING AND DEVELOPMENT OF ST. FRANCIS HIGH SCHOOL'S PHYSICAL PLANT AND EDUCATIONAL POLICIES.

THE STUDENTS OF SAINT FRANCIS CONGRATULATE BROTHER FISHER ON HIS SILVER JUBILEE AS A BROTHER OF HOLY CROSS AND DEDICATE THIS 1963 **POVERELLO** TO HIM IN APPRECIATION OF HIS OUTSTANDING SERVICE.

Catholic Action at St. Francis was given a boost this year by the establishment of the Saint Francis High School Mission Club. The club has been given affiliation with CSMC, a national federation of Catholic students devoted to the cause of home and foreign missions.

The vast amount of good that can be done in the classrooms, for the missions, is tremendous. The groundwork is done—already the organization is r u n n i n g smoothly towards its purpose of helping the missions.

DEBATE AND FORENSICS TEAMS

Known for their eternal verbosity, the debate and forensics teams are recognized throughout the Pacific Coast League as the post office men because of their "special deliveries," dealing in debate this year with tariff and trade policies for the Western Hemisphere and in forensics with many current topics and abstract ideas.

These two growing organizations, under the supervision of Mr. Martin Larrey, have made a science out of argumentation and a fine art out of oration. In the beginning of the course of developing these skills, the P.O. men have become familiar with many subjects of universal controversy and interest. As Buddha preached, "Right view, right aim, right speech, right action . . ." is the proper sequence of the constituent parts of human improvement.

STUDENT THEATER

PROGRAM NOTES

The story of **Billy Budd** deals with life aboard a British Warship in 1798 in all its fullness of color and pagentry—the squallid life of the crew below deck, the austerity of discipline, the feuds between men and officers, the explosions of anger and treachery, and the ever present shadow of death.

Billy, the personification of absolute good, is thrown into conflict with the sadistic Claggert, the figure of evil, in the very opening moments of the play. We follow the tragedy of this eternal conflict until it results in the destruction of Claggert at the hands of Billy. The tragedy then reaches its fullest fatalistic moment in the execution of Billy as the play itself closes.

The story of **Billy Budd** is essentially a morality play with an unpopular moral—that absolute good and absolute evil must destroy each other. Thus it would seem that Melville's view of life is awakening an appreciation of the contemporary conflict as lived today.

St. Francis is proud of its "Men of Song."

Among its accomplishments this year, the Glee Club made its television debut on "A Carol of Christmas," Christmas Eve on Channel 11. It was highlighted at the Homecoming Assembly where it captured all with its original "Vive La Lancers." And the Christmas and Spring Concerts were its two home performances where it shared honors with the band in making Music Department productions of which we could all be proud.

Three times during the year, the Glee Club combined with the Holy Cross Glee Club, forming a chorus of 115 voices. They sang the Mass celebrating the opening of the Ecumenical Council; they were featured together at the Christmas Concert; and, together again, they gave a stunning performance at the Archdiocesan Festival of Music.

The class operates all together but under three sections: basic electricity and the more advanced groups, Radio 1 and 2.

Each member purchased his own Heathkit at the beginning of the year; and with exceptions of several films, this has been the club's main function.

ALTAR SOCIETY

The Saint Francis Chapel Altar Society is not a new organization to the campus, but it is little known since the members work quietly behind the scenes mending vestments, and keeping flowers on the altar throughout the entire year. The society's special project is to purchase an organ for the new Saint Francis Chapel. To do this it sponsors an annual Valentine Tea, at which the pictures on this page were taken. Our sincere thanks to the ladies for their invaluable service to the school.

In Memoriam

On February 18, 1963, Gregory Bontempi was summoned by God to his eternal reward.

All of us who knew Greg knew him as a friend and as a model: he was an inspiration to everyone. So recognized were his virtues that on a questionnaire sent to his entire class, Greg was the boy most-named as "the student who influences me the most for the better." He used all of the attributes, or graces that God gave him with which to face life, to perfect himself; and these graces were many—a religious spirit, a happy disposition, a wonderful family, intelligence, good looks, popularity, and, later, sickness and suffering. Even to his death he was the exemplar of what we all wish to be. So typical of him cooperating with grace in uncomplainingly accepting his greatest suffering were the last words he spoke, "Thank you."

But Greg was not only a model; he was a friend. He had a quality about him which made everyone who ever knew him feel close to him and want to be his friend. Thank God that we were, and still are, drawn near to him; that being his friends, he can know our every movement, our every fall, and can constantly intercede for us.

The Church encourages us all to pray for one until a positive sign is given of his sainthood. And we should pray for Greg. But, too, we should pray to him . . . we will never be refused.

His beautiful life and his holy death make us pray:

Our model our friend and really, our hero
— Greg Bontempi —
may God ever love him more and more.

SAINT FRANCIS SPIRIT

A man is made mostly of spirit, and when the spirit is gone the flesh avails little. It is better to fight diligently to live, rather than to lie down bravely to die.

To be honest in my conviction, let me say at the very outset, that first and foremost, my principal desire is to win games. Secondly, it is my hope, through guidance, and example, to exercise a wholesome influence over the men under me, and to inspire them to seek and attain high objectives in a well rounded and balanced life.

Most of us need slogans, designs, patterns, and philosophies to cling to when the going is rough and it seems that life is more or less futile. A desire to win, to play on a team, submerging the personal self for the benefit of the group, to attain perfection, and to put their powers and abilities to the utmost will turn a merely mediocre team into a team of poise, judgment, determination, and championship.

Coach Aguiar.

Mike Hibler-All C.A.L. Offense and Defense, North Shrine Team, National Football Foundation-Helms Hall of Fame, St. Francis' Most Val. Player.

Mike Hibler, one of the finest football players ever to come from St. Francis, has brought great honor to himself and to his school. Mike will be long remembered at St. Francis as a student and a athlete.

RIORDAN

Pat Reynold typifies Lancer offensive play against Riordan. S.F. shows strength on the first series of downs by power driving for a quick first. Then Reynolds went 45 yards for the Lancers first T.D. S.F. was consistent and tough on defensive all the way. St. Francis intercepted three enemy passes, one by Tim Rossovich who ran 23 yards for a score. Dave Riser was sidelined with an injury he received in the Salinas game, Gale Miyahara turned in a good performance. He passed to Rossovich for a T.D. and intercepted a pass and returned it 15 yards. Mike Hibler did a job which started him on his way to the C.A.L. berth. Denny Salisbury, Ted Sivley were standouts on defense. This game was a team performance.

Mike Hibler goes for a long gain against Riordan.

SER

The St. Francis vs. Serra game was rated by many football critics as one of the finest high school games to be played this season. The Lancers were "up" for this game, and they proved it by their determined and hard fought play on offense and defense. The ball carrying responsibilities were all Hibler's because Pat Reynolds suffered a shoulder separation early in the game. Thrills were often as the ball changed hands many times. The score at the half was 0-0. Serra scored in the third period on a Lancer fumble. S.F. scored twice in the fourth quarter; when the clock showed 13 seconds to play Dave Riser scored on an end run, and once by Sivley. Midway through the season the Lancers turned in their best effort, foreshadowing the C.A.L. Championship.

ST. MARY'S

RA

Coach Aguiar sends in some important information with Steve Soper, the time was crucial, as shown by the scoreboard.

In this game St. Francis at least cincned a tie for the C.A.L. Title. It was a hard fought contest throughout the first half, but the Lancers showed that they were a team that does not quit. After being behind at the half 14 to 13, on a T.D. by Hibler and a pass from Miyahara to Riser, they put on a great second half effort. After the second half kickoff the stiff Lancer defense did not crack. They were led by Sivley and Salisbury, again doing superbly. Jerry Dover blocked St. Mary's punt attempt and Mike Hibler carried it in for the score. Hibler again scored on a 2 yard smash after Riser skillfully directed the team into scoring position. J. C. Schmitz scored on a 10 yard run and Tim Rossovich added his third P.A.T. of the afternoon. The Lancer exuberance is shown by the picture above.

Greg Stoltz uses only himself to elude two St. Mary's tacklers who close in.

BELLARMINE

Dave Riser scores the lone Lancer T.D. in one of the most hard fought games of the season. The Lancers played well but could not turn back the Bells who had to win to share in the C.A.L. Crown. Tim Rossovich who had been sidelined by a serious hip injury was not in action. Mike Malachowski was a standout on defense, as he led the team in tackles with 14. Mike Hibler did the bulk of the running, carrying the ball with his usual authority. Gale Miyahara, who was shifted to halfback for this game, because Tim Brown was injured, did a fine job. The Lancers played well but could not get the win they wanted so very badly.

Pat Reynolds starts to head up field on a punt return as Riser and Soper set for action.

TEAM SALUTE TO

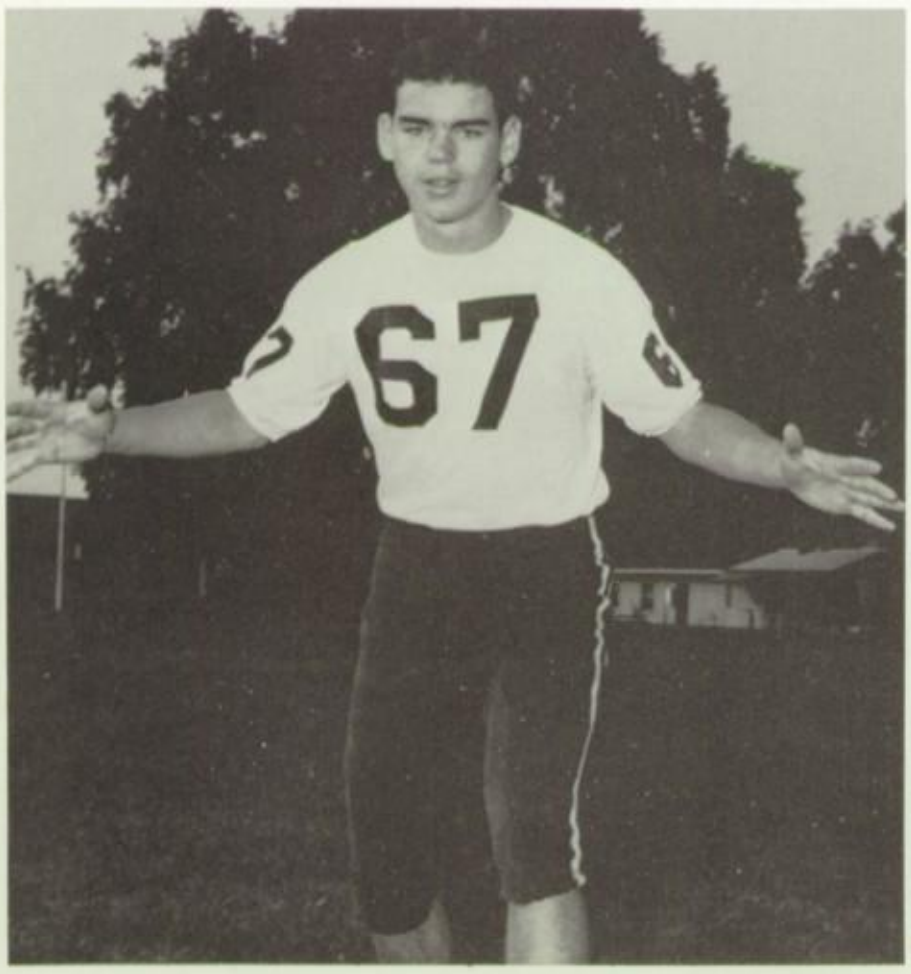
M.V.P. JOHN SURBRIDGE



Due to some trouble in the schedulings in the league the J.V. team did not see much action. Their record was—victories over Riordan and Serra, and a loss to Bellarmine. They played well against all of their opponents with hustle and spirit. Lee Ripon did a fine job in all the games leading the team from his Q.B. spot, he was a smart field general. The offensive ballcarrying was held down well by Wiedel, Di Carolis, and Standifer. Norm Alexander and Surbridge were standouts on defense. Other future Varsity prospects include: Ron Pray, Rich Anderson, and the bulk of the J.V. Team.

The Freshman team gained valuable experience and spirit which will undoubtedly be of great value to our future Catholic League Championship teams. The Frosh, off to a slow start, reached their peak in the Bellarmine game, and crushed Serra in the last encounter of the season. The team, which showed an absence of depth, did almost provide the upset of the year in the Bellarmine game. Led by Joe Cusimano, Bob Masik, and the running of Roger Hibler the Bells nearly fell. Other standouts from the Frosh team were Manny Giorodana and Tom Duggan. The teams leading tacklers were Vince Bischof, Mike Hess, and Tom Surbridge.

In a word the 1962-63 edition of the Saint Francis basketball team could be called record breakers; most games won, championship at Carmel, consolation at the Mt. View tourney, and finishing with five straight victories including a thrilling 51-41 win over Bellarmine before the largest crowd ever in Raskob Gymnasium.

The primary reason for the Lancers' fine showing was Ron Donovan; Most Valuable Player, second team All League, first Saint Francis player to score more than 300 points in one season (336), and the tenth leading scorer in the C.A.L.—12.0 per game.

The other guard position was superbly manned by Rich Farana, number two scorer—160 points, and the best defensive player on the team. He made All Tourney Carmel and Honorable Mention from the C.A.L.

Dennis Reynolds was the big man in the rebounding department for the Lancers, seventh leading rebounder in the league,—296 for the season, a new record, and he made All Tourney Carmel. He is certainly one of the future bright spots for the Lancers!

Terry Duggan, Most Improved Player, was a consistent performer. His record indicates an outstanding player next year.

Art Chapman rounds out the starting Lancer five. He showed promise of becoming a great offensive threat in the year to come.

John Coggins, despite his lack of headlines, has been one of the steadiest performers on the court for the past two years.

No team is complete without its reserve strength, John Sabol, Bob Halderman, Jerry Dover, and Bill Fagan, gave no small part, for success.

Coach Locatelli, in his farewell year, would like to thank publicly the Varsity Basketball team for its dedication and loyalty throughout the season. Their determination to excel both on and off the court was evident and indicative of fine basketball players.

Over all the J.V. season was good. Hampered by inexperience and confronted with the toughest opposition in northern California, the light Lancers never conceded a battle. This, especially, was twice seen against arch rival Bellarmine when they came through with great efforts to the final buzzer, although losing both games. The team voted Ken Kelly the Most Valuable Player and Craig Weber Honorary Captain. Other outstanding players were Mark Eckel, Ron Peregrina, Joe Fay, and Paul Marti. The J.V.'s have good prospects for next year's Varsity.

Brother James talks it over.

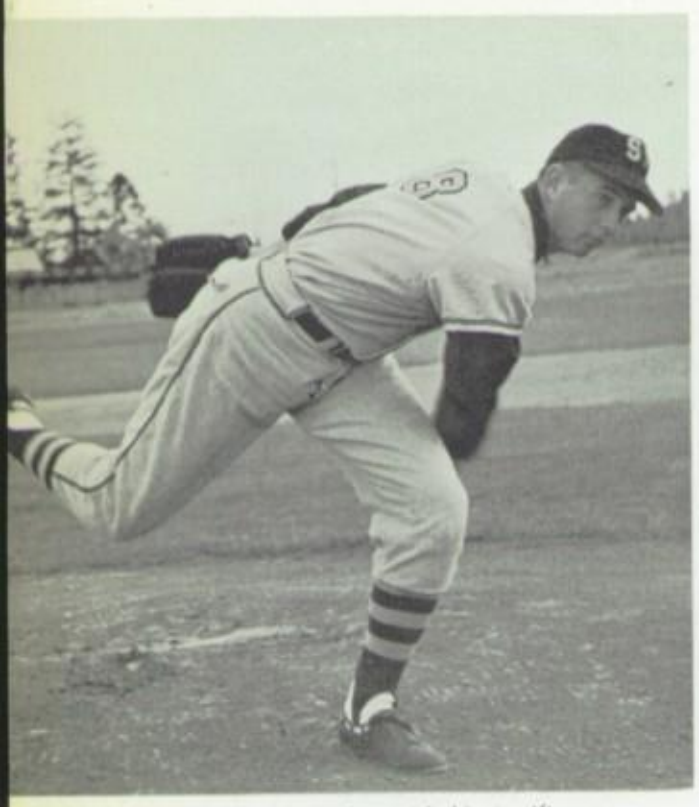
The 1963 edition of the Lancer baseball team featured a tight defense, and the fine pitching of Gary Shara and Kirk Colvin.

Shara listed among his accomplishments 19 strikeouts against Wilcox, a 2-1 victory over Serra, and 10 innings of no-hit pitching against St. Elizabeth's. Colvin suffered from lack of offensive support but has been a strong, consistent pitcher all year.

Defensively, the Lancers have been led by the outstanding center field plays of John Gemello, along with shortstop Pat Reynolds and second baseman Ron Donovan, have given the team a strong defense down the line.

In the hitting department, the team has been led by the consistent hitting of Tim Rossovich and John Gemello, and by the occasional power of John Costa.

Reynolds, Costa, Donovan, and Gemello pose with their mighty weapons.



Shara hurls another with his terrific arm.

JV BASEBALL

Although the J.V. Baseball team was plagued by misfortune this year, its spirit and desires remained extremely high. Each and every Junior Lancer gave his best at all times. The experience and knowledge gained during the past season will certainly be of great assistance to each player in his quest for a varsity slot next year.

FROSH BASEBALL

The first year of the Freshman Baseball Team has uncovered many future Lancer stars. Under the able guidance of Brother George, the team has progressed rapidly since their opening game victory over Salesian High School.

Outstanding players are catchers Jack McNamara, and Joe Cusimano; first baseman Roger Cruickshank; and pitchers Roger Hibler and Mark Skrabo.

The highlight of the season is the Bellarmine game — as it always is around the St. Francis campus.

SWIMMING TEAM

The '63 Lancer swim team is expected to be the top contender for the C.A.L. crown this year. Although St. Francis does not have a pool of their own, they boast some of the finest swimmers in this area. Mike Garibaldi, trying this year for his second C.A.L. title, will be swimming the 400 yd. and 200 yd. freestyle races. Other swimmers include Tim Brown in the 50 yd. freestyle, Norm Lussier in the backstroke and 200 yd. medley relay, and Mike Haake in the 100 yd. backstroke. The "B" swim team has some fine swimmers in Steve and Scott Hendrickson, John O'Brien, and Tom Southard. The only Lancer in diving competition is Alan de Beauclair.

This year St. Francis added another milestone to their athletic program. Lancertown now has the facilities to run home track meets, thanks to the Men's Club. The Lancers now have a fine track, second to none. The fathers also provided the team with new hurdles. The Varsity is paced by four of the best cindermen in the area. In the mile John Cassidy is ranked as one of the best in the nation. Pat Butler, a pole vaulter who does 13 feet also ranks with the best. Dennis Ortiz, a 440 runner, has the potential of running this race in 50 seconds. Terry Lemen, the best discus thrower in the school's history, is expected to top the C.A.L. The effort of the '63 Lancers has been unequaled in previous years.

BEE TRACK

FIRST ROW: D. Anderson, L. Favor, J. Gildea, B. Mynderse, B. Essad, R. Anderson, D. Standifer, B. Anderson. SECOND ROW: D. Keogh, R. Johnson, J. Jacobson, B. Lotz, S. Mascovich, B. Raymond, G. Greeley. THIRD ROW: T. Held, R. Knight, B. Delli-Gatti, B. Hasler, H. Chouinard, D. Nelson, D. Farrell, D. Givich.

The "B's" showed that they could get points for their much wanted and needed victories. The Lancers had some fine runners: R. Knight, T. Held, and R. Johnson. Bill Anderson and Dan Standifer ran "hard" in the sprints. The weightmen were led by Harold Chouinard and Bill Lotz in the discus, and Dennis Givich and Larry Favor in the shot. The Bee team showed promise in just about all events although not outstanding in any particular ones. The Varsity can look forward to some new members in their competition next year.

KNEELING: P. Johnson, D. Long, B. Rozar, G. Greeley.
STANDING: J. Cassidy, J. Medeiros, Mr. Conrad, K. Smith.

The "C's", who boast some of the most promising talent in the C.A.L., won a majority of their meets, and Coach Aguiar expects these trackmen to put St. Francis in a number one position in two years when they make the Lancer varsity.

The St. Francis Cross Country team, led by John Cassidy along with other champion members, captured the C.A.L. title for the 1962 season. Cassidy took first place in the overall C.A.L. run. Coach Conrad's men of endurance did well in all their meets. Lancers running fine races throughout the season were John Medeiros, Ken Smith, Dave Long, Bill Rozar, George Greeley, and Ralph Johnson.

Outstanding performers in the Cee events.

John Cassidy leads the iron-lunged distance men.

VARSITY GOLF

KNEELING: C. Weber, F. Hall.

STANDING: Br. James, J. Hannibal, J. Furman, C. Greene, R. Riley, J. Callan.

Hannibal makes short work of trap.

The St. Francis Golf Team did a fine job this season, although it was not shown by their record. Led by Jim Hannibal, they were upset by a close margin in matches that could have gone either way. The St. Francis team was an example of the one-stroke deficit which means so much in this game. They played well on their home course, Los Altos Country Club.

The Lancers played with great skill throughout the '63 season against such schools as Palo Alto, Cubberley, Serra, and our club-wielding arch-rivals, Bellarmine. With the return of the same team next year, Brother James expects much from the Lancers golfers.

on way to 19th hole.

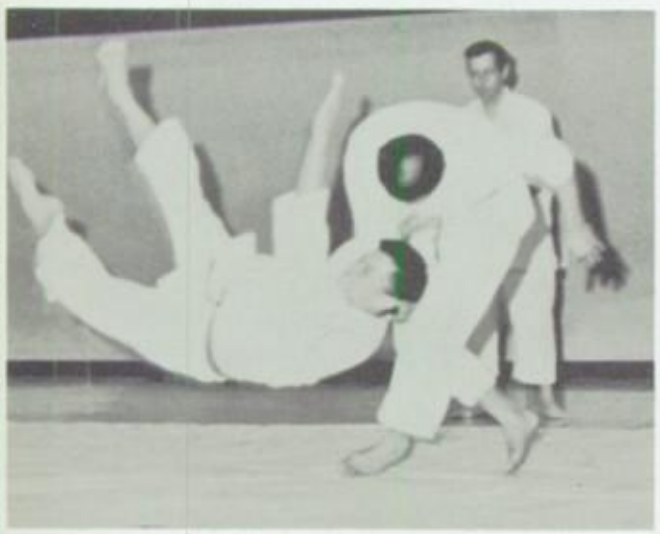
SPORTS SPECTACULAR



On April 26th, the second annual Sports Spectacular was presented by the St. Francis Monogram Club. A group of baton twirlers, the Caballeros of California colorfully started off the evening's program. St. Francis was well represented by Junior Dick DiSalvo in the Fast Draw Demonstration, Sophomore Mike Nice in the Jujitsu Demonstration, and by Freshmen Gary Paske in the Gymnastic Team's Demonstration. Brother James and Brother George preceded the Trampoline Team with a spontaneous show of their own. The entertainment proved to be worthy of our presence since the spectators, both young and old, enjoyed every minute of the evening.

SENIOR BALL

On May 10 the Seniors held their annual Ball at the Los Altos Golf and Country Club. The theme of the dance, "Tahitian Mist," was well carried out by Ron Donovan, the General Chairman; Louie Katen, Decorations; John Coggins, Bids; and Rich Farana, the Band.

The program from the evening consisted of dinner from 7 to 9 and dancing to the music of the fabulous Torquays from 9 to 1.

Approximately seventy Seniors and their dates enjoyed themselves during the night. Chaperons for the dance, Mr. and Mrs. Donovan, Mr. and Mrs. Coggins, and Mr. and Mrs. Farana, put down all uprisings.

The Senior class wishes to extend their thanks to Brother Eagan for his assistance in making this event an overwhelming success.

This page is dedicated to the scholarly class cut-ups and comedians that every school is bound to produce. We have omitted the captions from these spicy, candid shots in order to have the jesters of the school come forward to acting true to form and attaching some funny remark to these nifties.
